Dear Students,

This is to inform you about the **Marcia Byrne Practicum Nursing Award**. This award is intended to support MScN students enrolled in **NURS 5400 3.0 - Advanced Nursing Practicum**. Interested students: please fill out the **Student Financial Profile**.

Please note: The deadline to submit the Practicum proposal and Student financial profile is **September 15, 2016**.

You will need to submit your practicum proposal and Student financial profile to the Graduate Program Office or you can email both components to azkhan@yorku.ca.

You must also submit the course proposal to the Course Director for NURS 5400, before the deadline stated above (if you have not done so already).

Selection Process: A subcommittee of the Awards Committee of the Graduate Nursing Program, including at least one Course Director for NURS 5400, will select the recipient based on the Practicum proposal's demonstration of patient-centred care, and on demonstrated financial need. After notifying Student Financial Services of the recipient, the Graduate Nursing Program Office will notify the recipient.
